

EMT CRASH BAG

A First Response First Aid Kit in a classic *"Doctor's bag"*

A doctor of sports medicine had this to say:

"Your kit is the most comprehensive first aid kit I've found on the web for the price.

Other companies boast their products, but your company is the first to deliver exactly what you advertised in a timely fashion!"

With a value near \$200.00, we offer our Crash Bag for **only \$99.95**
